

TO THE RECIPIENTS OF THIS INFORMATION:

Everything presented herein is a compilation of information and facts provided by most of you on Radio Talk Shows. This information was gathered over the past nine (9) years. The notes presented a complete picture of a corrupt criminal enterprise now running this nation once it was all assembled with a logical and rational order.

Individually, each of you provided one piece or another, independently you know nothing of the facts and information provided by others. All I did was to put the pieces of this Clinton-Gore Wag The Dog War puzzle together. I suggest that on this one, you all get together and put it out in one coordinated front.

I have included a distribution list so that when historians look back on the rise and fall of the greatest nation of free people on earth, there will be a record of those who had knowledge of the beginning of mass genocide by its leaders or shall I say rulers at this time in our history.

I say rulers because from what we have seen over the past seven years is a dictatorship run by the Clintons and their operatives. They have no morals, principles, values or conscience. They are pure evil.

Our Constitution has been shredded and thrown on the trash heap of history. All departments of the executive branch have been politicized and corrupted beyond redemption. Our despotic, tyrannical, treasonous ruler and his operatives use fear, extortion, intimidation, threats, incarceration, even murder and mass genocide to destroy individual citizens lives and credibility. This to protect and further advance there sick-o-phantic elitist agenda of a Marxist / Socialist, New World Order of Global Governance.

From the time this criminal enterprise began to spawn and grow to the present dictatorship, the legislative and judicial branch of our government sat on their asses and did nothing to stop it. Those who took an oath to represent the people in upholding and protecting the constitution and the laws of this once great nation sold out to the "Evil Empire in Washington, D.C." They sold out their souls, country and its sovereignty, and its people.

Not only do the elected officials sell out their country, but wealthy corporations and individuals like Loral, Hughes, General Electric, and all others and people such as the Geffins, Katzenbergs, Speilbergs, Streisands, O'Donnells, and Bermie Schwartzes all sold out their country.

What more can we expect. The Jews sold Jesus Christ for thirty (30) pieces of silver. They helped Lenin, Stalin, and Hitler in mass genocide of over 100 million people including there owne. Now they help protect the Clintons in there mass genocide of millions of sick men, women and children in over eleven (11) countries of the world. A historic & present day fact.

The end is near! We are 24 years beyond the normal 200 year life span of all previous great societies and empires. They all collapsed and fell in on themselves because its people kept their mouths shut until it was to late.

Please accept my apology for the erratic type and shift from 10 to 12 characters per inch after page six (6). My typewriter was going south and I barely finished this article.

I do not have a computer or FAX machine for my own reasons and the various phones that I have spoken to some of you on have been tapped. Especially when I call in on controversial subjects that threaten this administration's credibility with factual information that I have knowledge of to share with the guest and the listeners.

If you want to call me to discuss the contents of this article you can leave a message at (818) 340-1067 or (818) 883-8283. Please leave an 800 or 877 phone number for me to contact you on.

Also, please feel free to make any necessary corrections for spelling and proper syntax. I always get confused with there and their. Do this before you put it up on your website.

I thank you for your consideration in reading this profoundly important information that must get out to the people of this country in order to save it.

Sincerely
Robert (BoB) Macosko

P.S. If I should reach my demise prematurely and questionably, the following is presented by me as testimony of fact:

I am of sound mind and body and am in excellent physical, mental and emotional condition. I do not have a heart condition, AIDS, Hepatitis A, B, or C or any venereal disease, Gulf War Syndrome, exposed to Anthrax, or any cancer. I do not take drugs, smoke and only drink occasionally, do not speed nor fly a plane. Also I have no enemies to gun me down nor committed no crime to be incarcerated for.

So! If I should die of a sudden heart attack; die in a mental institution; commit suicide by placing a shotgun to the back of my head and pulling the trigger and pumping it three times; out into the lake in a rowboat in a winter storm while having the flu and no shoes and summer clothing and drown; contract AIDS, Hepatitis A, B, Or C, Anthrax, Gulf War Syndrome, or any other biological disease; pancreatic cancer, drug overdose, or wrap my car around a tree while drunk, or in an airplane accident, gunned down in a contract killing; put in jail on trumped up charges and die suddenly; I hope someone will investigate the Clintons and their Gestapo Secret Police because the above mentioned was the cause of the demise of over 80 to 100 people crossing the Clintons path or potential witness against them.

In testimony this date February 7th, 2000

Robert L. Macosko

WHY?

EVERYONE KNOWS IT
BUT KEEPS THEIR MOUTHS SHUT

The Democratic Party knows it but keeps their mouth shut.
The Republican Party Knows it but keeps their mouth shut.
The dominant media knows it but keeps their mouth shut.
Rush Limbaugh knows it and won't let you on the air to talk about it.

Michael Reagan knows it and keeps his mouth shut.

Matt Drudge knows it but says that it is fiction. I say to Drudge tell that to the relatives of the 22,000 dead while standing in front of their grave stones, it's fiction.

Michael Medved knows it but keeps his mouth shut.

Ray Briem knows it but only pays it lip service.

George Putnam knows it and mentions it only when asked.

All U.S. Senators and Representatives know it and keep their mouths shut to protect The Evil Empire in Washington.

After reading the enclosed you will now know it. Will you too keep your mouth shut to prevent the world from knowing about it.

The renowned News Commentator and originator of Talk Back Radio, George Putnam, often tells the story of interviewing the German people after World War II and when asking about Auschwitz the reply was always: Auschwitz! What is Auschwitz. I know nothing. They knew but kept their mouths shut thereby aiding and abetting Hitler and the NAZI Party. Their silence and Hitlers socialist agenda was ultimately responsible for the deaths of millions of Jews and tens of millions of soldiers on both sides.

I guess we have come to that point in our history where mass genocide of sick men, women, and children as was in Germany under Hitler is of no interest, concern, or importance to us. To paraphrase Congressman Henry Waxmans famous response on the House floor, "SO WHAT" when the Republicans were looking into Clinton scandals. This is the attitude of the individuals above. SO WHAT, it wasn't my sick child, wife or husband, mother or father, or grandparents that were condemned to an agonizing death with a deadly communicable infectious disease. It was someone else. That's fine and ok with me. Hey! SO WHAT! It did not affect me.

Heaven help us! We are lost as a civilized people!

YOU NOW KNOW IT AND WILL YOU TOO KEEP YOUR MOUTHS SHUT.
